

Hallelujah Forever

Dk Praise

Verse

In that city above
With the gates of pearl
And streets of gold
There will be no night
For the glory of God will be its light
No sorrow there
All tears will be wiped away
Oh what joy to see the lamb of God
Seated on the throne

Soloist:

I'll join the host of heaven to sing

All: Hallelujah forever

Soloist:

I'll bow, I'll dance
And lift my voice to sing

Chorus:

Halleluyah x3

Halleluyah forever

Halleluyah x3

Halleluyah forever x4

Bridge:

The Saints of God shall gather to sing
(Hallelujah forever)

This song will never end for all eternity
(for all eternity)
(Repeat chorus)
