

I Bless Your Name

Kelvin Ossai

CHORUS:

Oh oh oh

I bless Your name

Oh oh oh oh

I glorify You (2x)

VERSE 1:

(None can do the things you do)

When I think of all you've done for me

A thousand tongues will never be enough

To glorify and praise your holy name

For who You are

You rescued me and brought me into light

Gave me sunshine; the air I breathe

Surrounded me with Your love and grace

I bless Your holy name

VERSE 2

Lord in all that I've gone through

You keep pulling me through

Even when friends turn their backs and walk away

You were there to keep me strong

In my weakness, You've been merciful

Redeemer of every past and every present wrong

You give me wings just like an eagle

And now I soar in Your grace

[repeat chorus]
