

Let the World Know

Frank Edwards

Verse 1:

When it was me against the world,
You came and You fought for me,
smashing all my enemies and gave me the victory
You're my light in the darkness, my ever present help

Verse 2:

Time and time and time again
You went ahead of me, over and over and over again,
Your love is unfailing
You are my strength I trust in You
Lord, You are unchanging, yes You are

Chorus:

I'm gonna let the whole world know,
You are the Waymaker
You are building dreams not failures
You make it all work for me, You are my everything

Verse 3:

Take the whole world take it all
You are all I want, Just You
You gave me wings so I could fly
higher than Eagles fly
You're my light in the darkness
my ever present help, Your love is unfailing
Lord, You are unchanging.. oh oh ohhhh

Bridge:

Hallelujah to the great I am forevermore
Oh oh ohh
Lift up Your heads Oh ye gates and be lifted up
For the King of Kings

Repeat chorus
