

You got me covered

Udy Uche

You are so mindful of me
You are so mindful of me
You are so mindful of me
You are so mindful of me
Saved by Your love, redeemed by Your grace
revived by Your word, Im safe in Your arms
Your love for me is real
and Your mercies overflow
You got me covered
You got me covered
You got me covered
You got me covered
Saved by Your love, redeemed by Your grace
revived by Your word, Im safe in Your arms
Your love for me is real
and Your mercies overflow
You got me covered
You got me covered
You got me covered
You got me covered
In Your presence Lord is where I wanna be
In Your secret place is where I wanna be
You got me covered
You got me covered
You got me covered
You got me covered
You are so mindful of me
You are so mindful of me
You are so mindful of me
You are so mindful of me
