

Time to dance

Loyiso Bala

There's a time for peace
A time to get ready for war
Time for playing games
At times we don't play at all
Time for making love
A time to make love no more
There's a time for everything
And we can do nothing at all
There's a time to weep
A time to laugh A time to mourn
Until the break of dawn
Now is the time to dance
At times we kill each other
Then take a little time to heal
At time we talk forever
At times we say nothing at all
There's a time to love A time to hate
There's a time for everything
And we can do nothing at all
Don't give up the fight
Soon we'll see the light
Yes, someday we'll die
But soon we'll rise again
Now is the time to dance
Oh Oh
We're gonna sing till the walls fall down
We're gonna sing every night and day
We're gonna praise him with everything
We're gonna shout Call out his name
Jesus you're the King of kings
Jesus you're the Lord of lords
Jesus you're the ruler of all
We praise your name
Your name
Your name
