A King Is Born

Elwoma

[VERSE 1]

It was a still night, when we saw the stars
And the sky was filled with brightness
We were wondering what, this beauty was all about
Still the angels whispered in a loud chorus

They sang [CHORUS]

Glo, ooooo,ooooo A KING IS BORN today Glo,ooo,oooooo A SAVIOR IS BORN Its a fulfillment of Gods promise to man Glory, Hosanna in the highest

[VERSE 2]

Wise men from the east, saw this Special star
And so began a journey
They came and saw Him lying in a manger
And at His feet they laid their treasure
And began to cry,

They sang

[REPEAT CHORUS]
[BRIDGE]

And His name shall be called Emmanuel, God with us

Prince of Peace, Counselor,

Redeemer and Friend

Glory to God

Glad tidings to mankind

For redemption has come today

Because of His birth and we cry
