

My Praise

Shola Aliogo

Verse 1:

You have done
What no man has done
Blessed, how no man can bless
What would I give you in return?

You have done
What no man has done
Blessed, how no man can bless oo
What would I give you in return?

Chorus:

But my praise, from the deepest part of my heart
All my praise, with the highest range of my voice
But my praise, from the deepest part of my heart
Yesterday, today, forevermore (2x)

Verse 2:

I give you all of me
I give you everything
This is all that I have to give
Just take it all, take it all
Please take my life and make it yours
Yesterday, today, forevermore

Chorus:

All my praise, from the deepest part of my heart
All my praise, with the highest range of my voice
All my praise, from the deepest part of my heart
Yesterday, today, forevermore (2x)

All my praise, from the deepest part of my heart
All my praise, with the highest range of my voice
All my praise, from the deepest part of my heart
Yesterday, today, forevermore (2x)

Forevermore (5x)

You have done
What no man has done
Blessed, how no man can bless
Take all my praise in return.
