

I Believe in Miracles

Eli-J

Excuse me, excuse me, I need to see the Lord
She kept on saying, she never stopped for once
If I could touch his garment Id be whole
Jesus said to her, your faith has made you whole
Hook
She believed in God, she believed, She believed in miracle x2
So I believe in God, I believe, I believe in miracle x2
I believe in miracles x2
Yes I believe in God, I believe, I believe in Miracles
Yes, Listen to me students, lets say you go to school and then they say that so many persons
failed
Never get worried, this is what youll do, you must smile and then youll say
Hook
I believe in God, I believe, I believe in miracles,
You smile and say, I believe in God, say I believe, I believe in miracles.
Yes, Lets say you go to work and then workers are being laid off
Never be worried, the scripture says anyone who believes will never be put to shame
This is what youll do, smile and say
Hook
I believe in God, you say I believe, I believe in miracles, {come on now confess it}
Say I believe in God, say I believe, I believe in miracles.
If you think theres no money in your account, this is what youll do
Take your ATM card and go to the ATM, you stand and you say.
Hook
Say I believe in God, say I believe, I believe in miracles, {it worked for me, itll work for you}
Say I believe in God, say I believe, I believe in miracles, I believe in miracles
I believe in miracles, I believe in God, I believe, I believe in miracles.
