

So good

Tim Godfrey

You are so good to me Jesus
Jesus, you are so good to me
Jesus, you are so good to me
In all circumstances
Jesus, you are so good to me
In all circumstances, in all circumstances ooo
Jesus, you are so good to me
In all circumstances, in all circumstances ooo
Dependable, dependable God
It doesn't matter what comes my way you are still God
Intentional, intentional God
Everything is working out for my good
You are good, you are good, Jesus
