

# I am changed

## Konnekt

Lord, has changed me  
From who I am  
And he made me  
What he wants me to be  
I feel your grace  
All around me  
For life and now  
Ill feel your love and care  
Yahweh  
You light up path  
Yahweh  
My ocean divider  
Yahweh Yahweh  
LORD has given me  
Everything I need  
And he saved me  
From the hands of the wicked  
I feel your grace  
All around me  
For life and now  
Ill feel your love and care 2×  
Yahweh  
You light up path  
Yahweh  
My ocean divider  
Yahweh Yahweh  
You light up my path
