

Who Run Tings?

Frank Edwards

I will testify, I glorify
Amazing things You have done for me
You turned my mourning into dancing
Lord, I thank you oooo
You showered me with your blessings
Lord, I thank you oooo
Theres none like You
When I call you hear me
You give me plenty, plenty, plenty blessings

Chorus

Its a brand new something, brand new something
Its a brand new story, brand new story
I give you glory, I give you glory
My brother tell who dey run things ooo
Nah God ooooo
Many things He do no be small things ooo
With the spirit of God in me
Sister tell who dey run things ooo
Nah God ooooo

Many things He do no be small things ooo

Verse 2

Tell me how do you feel
When youre walking in favour
When youre walking in grace
When youre balling with Jesus
I see you spreading your wings
Youre fine in favour
Youre basking in grace
Favour is your name

The things you do for me I can not tell it all
Double double everything plenty everything
Come and see for yourself
you do for me I can not tell it all
Double double everything plenty everything
Come and see for yourself
[Repeat Chorus]
Im gonna sing aloud
I will shout aloud
Jesus is alive and He lives in me
Ill sing aloud
I will shout aloud
Jesus is alive and He lives in me
Oh Oh Oh
Ive never seen anybody like you precious Daddy
Oh Oh Oh
And youre the love of my life
