

Thankful

Adetutu

Verse 1

For my victories
For my life
Lord I'm thankful
So thankful
You've been faithful Lord
Because of you I stand tall
Alpha and Omega.....
I don't know what I've done to deserve your love
A mere mortal like me
A mere mortal like me
You broke my chains, Lord I'm free, I soar
I'm thankful for this Lord
I'm thankful for this love

Chorus

A ga m aja G? mma si ebighi ebi (I will praise you)

Lord I'm thankful for your love
I'm thankful for your grace
The devil nearly got me, you set me free.....
When I said my foot was slipping
Unfailing love held me
Seemed all hope and light was missing
But then your grace found me
Lord your hand has come to save me
You are big, mighty and great
You're my rock and I'm thankful for this Lord.
