

Joy Comes

Nikki Laoye

VERSE 1:

Life is full of ups and downs
Many troubles weigh you down and
You're all alone
Your friends are gone
Your rent is due
Your cash is low but
Keep your eyes up to the hills
Keep on praying
He's seen your tears
God will take all your pains away
Oh oh

Though weeping may endure for a night (Just for a night)
Though weeping may endure for a night (But Joy comes in)

CHORUS:

Joy Comes
(In the morning)
Joy Comes
(don't give in)
Joy Comes
(He will be with you)
Joy Comes
(Just keep it in mind that)
Joy Comes
(Yes, it will)
Joy Comes
(Ohh)
Joy Comes
(Yeah)
Joy Comes
(Listen!)

VERSE 2:

No matter what you're going through
Just for a minute
Let me encourage you
Trials come to make you strong
It's for a while
It won't last long
So keep your eyes
Up to the hills
Keep on praying
He's seen your tears
God will take all your pains away

BRIDGE:

Though weeping may endure for a night (for a night)
Though weeping may endure for a night (For a night)

CHORUS:

Joy Comes
(It will)
Joy Comes
(I know that He's gonna make a way)
Joy Comes
(Just hold on, don't)
Joy Comes
(Give up, no)
Joy Comes
(He's gonna work it out for you yeah yeah)
Joy Comes
(In the morning light)
Joy Comes
(In the morning time)

Eh.....
