

# He Loves Me

Neyi Zimu

I've been living life without a meaning  
Not knowing He loves me  
I've been seeking the approval of men  
Not knowing He loves me  
Now I live, and I breathe  
In the safety of His Love  
He's forever mine, I'm forever His  
And that is who I am!

Refrain:

I am fearfully and wonderfully made  
I am created in His image and His likeness (Repeat)  
(From the Top)

Response: Oh oh... He loves me!  
Oh oh... He loves me!

You look at the mirror and say  
With a smile in your face you say  
Some of you have been told that you will amount to nothing say  
They say you will never have a child because you are cursed, say  
They say you will never get a job, say  
Oh oh... He loves me! x?

(Refrain)

He loves me

I may be broken but, He loves me  
I may be weak but, He loves me  
I may be sick but, He loves me  
I may be lost sometimes but, He loves me  
I may be retrenched but He loves me  
I know that He loves me

Response: Oh oh... He loves me!

Don't be afraid to confess it right now, say  
For God so loves the world that He gave His only...  
What manner of love is this that the Father has bestowed on us...  
Don't You know that those who He loves ....  
As long as we are for Him, nothing can be against them  
Oh oh... He loves me!
