

The Name of Jesus

Enkay

Verse 1

There's a name I love to call
When all else fails to lead me through
There's a name that stands alone
Above all names above all names
Somebody say that name

Chorus

Ooo Jesus Jesus
Ad lips in chorus
Jesus
O I call you Jesus
Jesus

Verse 2

It's that name that brings me hope
And gives me peace through every storm
It's the tower where I run to
It keeps me safe it keeps me safe
Somebody call that name

Chorus

Ad lips in chorus
Call that name
Call that beautiful name
The name of Jesus
El-shaddia
Elyon
Elohim
Call the name of Jesus
The name of the lord is a strong tower
The righteous run into it and they are safe
The name that breaks every yoke
And sets the captives free

Bridge

Jesus Jesus
Beautiful name of God
Call him Jesus
O the name of Jesus
Everything you need can be found right in the name of Jesus
Miracle working name that breaks every yoke
And opens blind eyes
You are great
Great and mighty king you are
You are holy
Outro

I have tested that name and I can testify that it works
It doesn't matter what you are going through right now
You can call that name of Jesus
