

Living God

Stranger

Verse

It was You
who formed the heavens
with Your words
You know the stars by name
You created everything
It was You
who part the seas to dry land
You know the numbers of my hair
You created everything

Hook

There is nothing too hard
no mountain too high for you Lord
Lord you, you made them all
kings bow down and they call you
the blessed one

Chorus

For You are the living God o
You are the living God o
all other gods
they are the works of men
You are the living God o
You are the living God o
all other gods
they are the hand works of men

Verse

Chorus

Bridge

o o o

None can understand Your greatness
none compares to You o o

Repeat 5 times

Chorus

End
