

Rest Of My Life

Lara George

Verse 1

You are the sunshine
Youuuu are my rain
You are the reason why
The World around me is sane
You are my love
You are my friend
You are the kiss on my lips
And my man
You are my baby
King of my castle
The only place to
Where could my heart go
Where would I find true love but here....
In your arms of love
Gladly spend
The rest of my life with you

Verse 2

You are my rainbow
You brighten up my day
And I bless the moment when
God brought you in to stay
He made you made my love
Made you my friend
Made you the kiss on my lips
And my man
He made you my baby
King of my castle
The only place to
Where could my heart go
Where would I find true love but here....
In your arms of love
Gladly spend the rest of my life with you
Oh oh...and as the years go on and on (on and on and on)
May our love grow more and more (more and more and
more)
May we be as one in our hearts and minds
May the song we sing always be
Where could my heart go (baby)
Where would I find true love but here.....
In your arms of love
Gladly spend the rest of my life with you
