

In Your name

Nikki Laoye

In Your name in Your name
there is healing in Your name
in Your name in Your name
theres deliverance in Your name
In Your name in Your name
there is healing in Your name
in Your name in Your name
there is healing in Your name
in Your name in Your name
mountains are moving in Your name
in Your name in Your name
theres deliverance in Your name
the name of Jesus
there is power
chains are broken
demons tremble at the sound of Your name
the name of Jesus
the name of Jesus
Adlib
the name of Jesus
