

Strong And Breasted One (Remix)

Splendour Handsome

(INTRO)

speaking in tongues

(VERSE ONE)

You are the fourth man in the fire,
you are the lion yet the lamb,
you are the freedom in the prison, strong and breasted one.

You are the light that shines in the darkness,
you are the river that flows through the desert,
you are the highest height of a mountain strong and breasted one,
through the darkest night Lord, you light my part,
you make a way where there seems to be no way,
for the dead man Lord, you make to live again
let your name be glorified can I hear you sing

(CHORUS)

strong and breasted one, I worship you today.

Strong and breasted one I bow before your throne. (2x)

Ominipoooootent God (response) I bow before your throne,

Omniscience God (response) I bow before your throne

(VERSE TWO)

Take all of me, and give me all of you
, because you alone can fight for me, awesome God,
you killeth yet you make alive, a mighty man of war, el Shaddai,
the top soon coming king, my keeper,
my healer, you always fight for me, omnipotent God,
Omniscience God, Lord we bow before your throne,
Lord, we bow before your throne, Lord we bow before your throne,
Lord, we bow before your throne, everybody sing

(REPEAT CHORUS)
