

# **You are the Reason**

**Chris Shalom**

Intro: Yeah e Yeah e

Solo

Where would I be, what would I do

If not for your grace oh lord...

It's so amazing and so ...refreshing

That you would... love a man like me

You didn't have to do it but you did it anyway...

Am so grateful, so thankful

Am walking in victory now

Am walking in liberty now

All because am saved, yes am saved eh eh eh

All (1)

You are the reason for the life I live

For the air I breathe, for the song I sing

You are the reason why I lift my voice

Why I lift my hands

It's all because of you

Chorus:

You are the reason (4X)

Solo:

In you I live, and move and have my being

Now am so secure yeah

I cannot tell it all, though I had a thousand tongues

Now I can merry on

You didn't have to do it but you did it anyway...

Am so grateful, so thankful

Now Am walking in victory

Am walking in liberty

All because am saved, yes am saved eh eh eh

All (2)

You are the reason for the life I live

For the air I breathe, for the song I sing

You are the reason why I lift my voice

Why I lift my hands

It's all because of you

Solo: The reason why I live

Response: You are

Solo: I cannot live without you

Resp: No no no no
