

You are God

Precious Edosa

VERSE 1:

Who is like You Almighty God?
Words won't be enough to express how great You are
Your grace surrounds me daily although I don't deserve
I am here to extol Thee
With my simple song of praise

CHORUS:

You are God who made the world to be
By Your spoken word
You formed the things we see
And You are God who is God all by Himself
Yesterday, today and forever You will reign

VERSE 2:

Oceans roar and rivers flow to the splendor of Your name
How can I testify to the beauty of Your grace
Your love surrounds me daily even times I don't deserve
I am here to adore Thee

You are God who made the world to be
By Your spoken word
You formed the things we see

Yesterday, today and forever You will reign

I am here to worship You Almighty God
