

# Behold

**Brenda Joseph**

This is the word of God to humanity  
Come down from your high horses and bow,  
Bow to the king of authority.

Behold I am the lord  
The God of all flesh  
Behold, behold

Verse

This is the word of God  
Blow ye the trumpet in Zion  
Sound the alarm in my holy  
(Backup) Mountain

Let the mountains bow at the feet of him who  
Rides on the clouds

Break out from every distraction  
Because, he's searching for a man  
That he can trust oh oh oh oh oh.

Look out for every word of God for he's calling you

Chorus

Behold I am the lord the God of all Flesh X3  
Behold, behold

Is there anything too difficult for me to do?  
Behold, I am the God of all flesh

I make rivers in the deserts  
Make waters in the wilderness  
La la la la la la

Vamp

My God mighty in battle (x2)
