

I've been changed

Wisdom K

INTRO:

Oh yeah! I know you may think you know so much about me
And you may wanna criticize me, judge me and speak me down by what you think you know
about me.... Hush!!!

That's in the past
Beyond what you think you know now
Is how God sees me
And I have been changed.

CHORUS:

I've been changed
Renewed
Redeemed
Justified
Graced
Forgiven
Revived
Lifted

I'm no more who I was before
Now I've been changed.

(REPEAT)

(SPOKEN WORD)

(Oh yeah! (Laughs). I'm justified; Hallelujah! I'm no longer who i was before, now I've been
changed.

Oh Yeah!

Romans 8:1 says, "there is therefore now no condemnation to them which are in Christ Jesus,
who walk not after the flesh, but after the Spirit "... Oh Yes! I'm no longer slave to the things
that held me bound, I'm free from guilt, free from shame from pain, free from addiction and
anger... (laughs) now I've been changed

Thank you Father...

Yeah... 2 Corinthians 5:17- "He that is in Christ Jesus is a new creature, old things are passed
away and behold all things have become new... (laughs) come on!!!)

BRIDGE:

Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh

(REPEAT)

(SPOKEN WORD)

(I'm so excited about this... the price for my sin was paid with His Blood. He only had to do
that once and for all. Therefore, I am free, I am changed, I am redeemed, I am restored, I am
revived, I am forgiven; never the way I use to be before, now I've been changed! Hallelujah!

Vicky and Ese)

SOLO:

Sometimes people try to speak me down
And they keep reminding me of my past and my mistakes

But your Word says something different to me...

That I'm wiser, better, stronger
You say for fear, I'll give you power
For weakness, I'll give you strength
For guilt I'll give you peace
For every sorrow, and give you rest
I am totally transformed
Now I can boldly lift my head up
And say.....(Oh yeah!)

BRIDGE:

Oh oh oh oh oh
Oh oh oh oh oh

(SPOKEN WORD)

(I'm free hallelujah, from guilt, free from pain, no more confusion no more defeat. When they thought I was condemned, You justified me yet, God is not angry with me, You said you'll never leave me nor forsake me, and for judgement he Graced me. I'm glad, I've been changed)

(BACK TO CHORUS)

(SPOKEN WORDS)

(Dear friend, can I talk to you for a minute? I know they said you are not qualified, I know they said you have failed; but that's in the past, for while we were yet sinners, Christ died for us; And that means He loves you just the way you are. And He is ready to change your life. He is looking down at you right now, with so much love in His eyes and compassion in His heart.

Hmmmm!

If only you can believe and receive Him now.

For before He formed you in the womb, He knew you and before you were born, He sanctified you and ordained you as His own, to show forth His praise. So you are better than this. Rise up, take up your bed; you are forgiven, you are restored and you are made whole.)

SOLOISTS:

(Oh oh oh oh oh)

And let the redeemed of the Lord (yeah...)

Say I've been changed (I've been changed)

I've been renewed(Renewed) Redeemed (Redeemed)

Justified (Justified..)

Graced (Graced)

Forgiven(Forgiven)

Revived (Revived...)

And lifted (I am lifted)

For we are no more who we used to be(I am no more who I used to be)

Yes! We've been changed. Hallelujah!(I've been changed) (3x)

[Thank you Father for NEW LIFE)
