## Fostar

Ahhhhh ah

### VERSE 1

Your beautiful and your splendor  
Radiates over the earth  
There's nothing to compare  
Heaven and earth adore  
The awesomeness of you  
Your glory overwhelming  
You are not a man you can't lie  
We exalt above all powers  
You are God all by yourself  
Your excellence is sure  
From glory unto glory  
You reign ever supreme

### CHORUS

You're a wonder  
You be wonder wonder God  
Wonder wonder God 4\*

### VERSE 2

Look to the mountains and the hills  
The whole world they know  
They are the work of your hands  
Look to the rivers and the coast  
With creations around  
You know them by name  
You are not a man you can't lie  
We exalt above all powers  
You're God all by yourself  
Your excellence is sure  
And from glory unto glory  
You reign ever supreme

### CHORUS

### BRIDGE

In the feast  
You make the water sweet  
With the sea  
You split and reform  
In our midst come show your presence
