

Hell Naw

The Galaxy

Intro:

Galaxy!

Made strong!

Hell Naw!

Hook:

Am I ever gonna quit? Hell Naw!

Will I ever leave your presence? Hell Naw!

cause you brought Me from the streets
and clean Me up and now Im living like a King,

Lord Im grateful

Verse 1:

Forever Im Grateful

Forever Im Thankful

Im always gonna praise you

you tend to be faithful

never gonna leave you

looking above you

hoping to find you

searching the clouds for your blessings

and testify all his Glories

forever more will I serve him

no matter the time

no matter the place

Im always gonna worship and praise your name

I believe am a light

I believe I will shine

take a little time to shine bright like the stars

Repeat Chorus

Verse 2:

Hell no!

look at my life I dey shine Bro

God just dey bless no be lie no!

everything I touch just dey turn gold [just dey turn gold]

Rap:

ah be living like a baller

shining brighter than the sun

look at my life its a proof

HALLELUJAH to the Lord

cause he picked me from the mud

the devil now came like a fraud

i told him to leave like a frog

cause JESUS CHRIST is my lord

Hes my lord and my saviour

Hes God of everything
and Id be walking like a soldier
you better run cause am coming
moving fast like a truck
a soldier for the lord
and ah be fighting,ah be praying
for better days ahead
lord help! lord help!
cause aint ever gonna quit [hell no!]
cause aint ever gonna leave[hell no!]
cause aint ever gonna run [hell no!]

Repeat hook

Verse 3:

Why should I back out
Christianity is my identity
of prosperity with no immorality but dignity uh!
Holyghost just cant stop blessing me
his promises are sure hes not a promise breaker,
his words are forever true, hes not a liar.
my father, blessing me no matter the weather,
am not afraid anymore cus have got Holyghost
backup no blackops
hes my seeker, my prison breaker,
he heals me when am sick now am free from disease,
the devil wants to kick me out of his presence,
no way cus am not gonna go anywhere, hell no!
