

Mmoyom Nkwe

Uty Pius

[Intro]

I've searched there's none
No one loves like You
I've searched there's none
No one loves like You
I've searched there's none
No one loves like You
I've searched there is none
No one loves like You
This kind of love
Jesus gave me
Never failing, Never changing
New everyday

[Chorus]

Mmoyom ami nkwe(I 've searched there's none)
Moyom ami nkwe
Moyom ami nkwe
Moyom ami nkwe
This kind of love
Jesus gave me
Never failing
Never changing
New everyday

[Verse 1]

Your love is deeper
Your love is Amazing
Your love never fails
Nothing shall separate me
I am surrounded
It covers all my wrong
Blessing me day and night

[Chorus]

[Verse 2]

Nobody knows what You've done for me
Nobody knows
How You blessed my life
Nobody knows
Where You brought me from
Your love is
Never failing
Never changing
New every day

[Chorus]

[Bridge]
Your love is unsearchable
Your love is indescribable
Your love is unexplainable
Oh oh oh
Your love is unsearchable
Your love is indescribable
Your love is unexplainable
Oh oh oh
Mmoyom ami nkwe
Mmoyom ami nkwe
This kind of love
Jesus gave me
Never failing
Never changing
New everyday
