And separate you from the tyranny

that be making you slack

Because, with fire i'm 'a surround ya

Shower you with a love

And a grace so divine and

... So amazing. Put your trust in me we'll everblaze

Cause the Devil come roaring like a lion

To kill and to destroy your substance,

but i come to give you life in abundance yes

HOOK:

Cause e no matter where ya come from

What matters is where you're going to

Its not about what you've done before

But what you're gon' do

And separate you from the enemies chokehold.

So take my yoke upon you for it is light

Learn from me with your power and might

Dont lean on your wisdom but trust in my grace

That is more than enough to sustain you in faith

So you can move mountains.
Put your trust in me there's no doubting.
Eat my word, it's a life-giving fountain
that never runs dry
i am the living God
I'm not a man that i should lie
I'm so amazing. Put your trust in me we'll ever blaze
Cause the Devil come roaring like a lion
To kill and to destroy your substance,
but i come to give you life in abundance yes
