

Look At Me

Rebecca Malope

Refrain:

Look at me Oh Lord, and answer my prayers
Restore my strength, don't let me die

(Repeat)

Look at me Oh Lord my God
Answer my prayers, restore my strength – don't let me die
Father You are the way, the way of life
Whoever comes in by You will be saved

(Refrain)

Tell me what I'm supposed to do
If I lose my whole family and my best friends to
I'll need Your help Oh Lord, don't let me die
I need your help Oh Lord, don't let me die

(Refrain)

When my enemy comes, let him find me protected
By the Holy Spirit Glory be to you
I'll need your touch oh my Lord don't let me die
I need your touch Oh Lord don't let me die

(Refrain)
