

What a miracle

Alive Kelvin

Verse 1

The blind man can see that the lame man could walk.

Oh what a miracle, yes it is a miracle.

The barren now could bare a child and the dragon could not hold her down.

Its a miracle, Youre a miracle working God.

Repeat

And I know today is already my day
and my portion would not pass me by,
In the name of Jesus, I claim my miracle.

Chorus:

Call:- My Lord! A miracle working God.

Resp:- Miracle working God.

Call:- Jesus is the miracle working Gods.

Resp:- Oh what a miracle working God.

Verse 2

I can hear the church singing hosannah,

The angels join to shout hallelujah,

What a combination, The devil in another trouble.

Repeat

And I know today is already my day
and my portion would not pass me by,
In the name of Jesus, I claim my miracle.

Chorus

Adlibs

He who walked upon the seas.

Ordinary water became the best wine.

He spoke and the dead came back to life.

At HIS name demons are nowhere to be found.

Whatever HE says, HE will do for you.

Our God is alive, HES not a failed God
