

# Jesus, Jesus

Nathaniel Bassey

## Verse 1

Who is the King of Glory  
The double-breasted one  
The one whose throne is high  
Higher than every other throne  
He is the mighty warrior  
The one who conquer death  
And make the open show  
Of principalities and power

## Chorus

Jesus (Jesus), Jesus (Jesus)  
The song of heaven  
Your name fills the earth  
We cry out your name  
Jesus (Jesus), Jesus (Jesus)  
My joy and passion  
Your Love covers me  
We worship your name

## Verse 2

Who is the morning star  
The glory of my days  
The one who shine so bright  
And darkness cannot comprehend  
You are my rescuer  
The lifter of my head  
The one who took my pains  
So I can stand victory

## Chorus

Jesus (Jesus), Jesus (Jesus)  
The song of heaven  
Your name fills the earth  
We cry out your name  
Jesus (Jesus), Jesus (Jesus)  
My joy and passion  
Your Love covers me  
We worship your name

## Bridge

There is no other name that I know  
There is no other name that can save me  
There is no other name that can heal  
There is no other name we can trust
