

Take me deeper

T-Philz

I Wanna drink from the fountain that will never run dry,
Take me deeper
Deeper in love with you.
Lord, let the Glory of your presence over shadow my well.

Take me Deeper,
Deeper in love with you.

Chorus

Take me deeper, deeper deeper.
Take Me deeper deeper in love with you 2×

Bridge

I wanna know you more
I wanna see you more
I wanna work in your ways
O Lord Take me Deeper. 4×

Take me deeper
Take me deeper
Take me deeper
Take me deeper 2×
