

Abba Father

Abywaves

I magnify you my King
As i lift my hands to You
I magnify you my Lord
As I raise my voice to You
For You've done so much for me, HMMMM!
And I tell myself that i need no other but you Lord!
For You've been so good to me, YEAH!
What can i say but thanks to You Lord!
So I magnify you my King
When I lift my hands and say
Abba Father! Abba Father!! (2ce)
For You've done so much for me, HMMMM!
And i tell myself that i need no other but you Lord!
For You've been so good to me, YEAH!
What can i say but thanks to You Lord!
Let me hear you say...
Abba Father! Abba Father!! (2ce)
Oh Oh!
Ah Ah!
Abba Father! Abba Father!!
You are my Father,
You are my Healer,
My Defender, My Provider
My Protector, My Deliverer,
My Sustainer, My Helper.
