

# Yahweh

## Bryan the GiftedArtist

All things in your name  
You the alpha and you the omega.  
Your grace is enough oh God,  
For those who come seek you.

Chorus

Yahweh! Yahweh! Yahweh!

Dont nothing compare.

Yahweh! Yahweh! Yahweh!

Dont nothing compare

Verse 1

Your love, Comforts me Lord  
find peace in your arms.

Your love, shelters me Lord  
find rest in your house.

You been blessing me Lord,  
You protecting me.

You been watching over me,  
You spend your time on me.

Hook

How merciful is you,  
I been running away from you.

I used to hate you,

Unappreciate you.

But you showed me your love dont die

Yahweh!!

It dont die,

Showed me your love dont die

Yahweh!

It dont die,

Showed me your love dont die.

Chorus

Yahweh! Yahweh! Yahweh!

Dont nothing compare

Yahweh! Yahweh! Yahweh!

Dont nothing compare

Verse 2

I was misguided

Misplaced on ambitions.

God reaches (riches),

So why choose to be non profit.

The passion of the Christ,

The defining moment.

How He came and died for my sins,

Im suppose to worship.  
I was bound to be dead walking,  
But He walked for me.  
So am living for my Christ,  
Coz He died for me.  
Like a lottery number,  
How He won me over.  
Now Im swimming in them riches mayne,  
Coz Im Heavens soldier.  
Gods love!  
Is my possession.  
Gods love,  
Compels us to love each other.  
Spread love!  
To every nation.  
So my neighbor I appreciate you,  
You my brother.  
Bias by birth,  
Thats the human nature.  
But the supernatural love,  
Comes with favour.  
And with more grace, and salvation  
Progress, theres no more short comings
