

S'ima do

Davasol

I wrote this song
And thought of it
And realized
That its genuine
God is love
he showed us love
When he paid the debt
That he didnt not owe
Tell me how
Could I have made it
If He never gave His son to die for me where would I have gone
Tell me where
could i have gone to
If He didnt shared His blood tell me where would I have gone
Sima do o
Se ima do o
Ima abasi ibom
Anam mi mbogho o
Sima do o
Sima do o
Ima abasi ibom
Anam. Mi mboghoo
Sima d
I lay me down
And pondering on
This manner of love Hes bestowed on me
What a joy
He gave to me
When He sent his son
As a ransom for sin
Tell me how
Could i have made it
If He did not pay the price on the cross of Calvary
Just for you and for me where would we be
Tell me where could I have gone to
His blood has covered me and has given me a name
And my name is victory.
Sima do o
Sima do o
Ima abasi ibom
Anam mi mbogho o
Sima do o
Sima do o

Ima abasi ibom
Anam. Mi mbogho o
Se ima do
Who am i that God are mindful of me
Who am i that he hears me when i call
Who am I that he holds me close to his heart
Behold what manner of love
That the father has bestowed on us
That we should be called his own
SIMA do
SIMA do
Ima Abasi ibom
Anam mi mboghoooooooooooo
