

God of Everything

Viwe Nikita

He's the first and last
The beginning and the end
He lives forever more
No one else can compare
To the Great and Mighty King
Ancient of days
The songs we sing
The air we breathe
It all belongs to You, God of Everything
We'll praise your name, we'll shout for joy
And we'll say:
Refrain:
God of Everything
Heaven and earth adore
The earth and all that moves will say
"Glory to the King
We magnify His name
He is God"
He's God of Everything
He's a wonder, He's a wonder (repeat)
(From the top)
