

Christ is risen

James T-song

Verse:

Beside him there is no other
Hes the source of living water
With him you dont need no other
Hes the God of awesome wonders
With Him you dont need to bother
Hes the source of endless power
He was buried like all others
He was dead,but He arose on the third day.

Chorus;

Halleluyah
Christ is risen
King of glory be lifted
Hes the reason for the season
He was dead,but He arose on the third day

Bridge;

Death could not hold him captive
