verse 3
ndiwe oyipa mpaka bonzo
bad to the bone
kupalana na rachel like you a clone
bad for born again and delivered
stain to the brain and a pain for the liver
too sweet
don't mind the pain is forgiven
the gain is terrific
the choice is a gimick
on any given day i wouldn't miss it
i wouldn't mind my name by your mrs
finally i think i won the lottery
my dis-ease got eased by a walking pharmacy
you got the key to my heart occupy it entirely
coss the wisdom of your words empower the god in me see
you never started by knowing my salary
from the bottom of the wiring of my autonomy
i think i falling, but no body grab a hold of me
coss i am landing on love
chorus
