

Superman

Godwin Thompson

Jesus you're my superman
Jesus you're my superman
Jesus you're my superman
Jesus you're my superman

Verse:

You saw me in the fire
You came and rescued
You stepped in when the waters try to cover
You saw me in a fix you came and deliver me
When temptation assailed me
You were there for me
If God be for us, who can be against us
If God be for us, who can be against us

Chorus:

Jesus you're my superman
Jesus you're my superman
Jesus you're my superman
Jesus you're my superman
Jesus you're my superman
Jesus you're my superman
Jesus you're my superman
Jesus you're my superman

Bridge:

And I will rise with You everyday
I will rise with You everyday
And I will rise with You everyday
I will rise with You everyday
And I will rise with You everyday
I will rise with You everyday
And I will rise with You everyday
I will rise with You everyday

Vamp:

My superman...
My superman...
Jesus, Jesus
My superman...
My superman
Jesus, Jesus
