

# Amazing God

Sonnie Badu

Eh Yahweh eh eh eh eh  
Oh oh oh oh oh oh oh  
Eh Yahweh eh eh eh eh  
Amazing God Amazing King  
You make my life so beautiful  
You turn my darkness into light  
You pick me up from miry clay  
Amazing God Amazing King

ooooo

Ten thousand words arent good enough to praise you  
A thousand tongues wouldnt be enough to love you

Oh how great youve been to me

Amazing God Amazing King

Modulate

You are indeed my all in all  
You are my well in the desert place  
Oh King of Kings and Lord of Lords  
Amazing God Amazing King

ooooooo

You are indeed my all in all  
You are my well in the desert place  
Oh King of Kings and Lord of Lords  
Amazing God Amazing King  
So when trouble may come like floodgates

I know youre there for me

Deliverer

And when all of my clouds fade away

Youll lift me up

And set me free

Modulate

Amazing God Amazing King 9x
