Born To Win

Allen Benson

I was born to win Im a child of promise Even death cannot hold me down Im a victor I walk in victory The good life and prosperity Ive got victory all the way All the way yeah All the way x2 I was Born to win Im a child of promise Even death cannot hold me down Im a victor I walk in victory The good life and prosperity Ive got victory all the way All the way yeah All the way x2 Ive got faith on the inside Walking on the outside I was born to win Ive got faith on the inside Working on the outside I was born to win I was Born to win Im a child of promise Even death cannot hold me down Im a victor I walk in victory The good life and prosperity Ive got victory all the way All the way yeah All the way x2 Ive got faith on the inside Walking on the outside I was born to win Ive got faith on the inside Working on the outside I was born to win Oohooohoohh Oohooohoohh Working on the outside I was born to win
