

Stood in the Gap

Steve Williz

You woke me up this morning
You're the reason for my being
Cause You stood in the gap for me
For the battles won at night I didn't know how I made it through
All I know you stood in the gap for me
When the enemy rise against me in judgement you condemn
Because you stood in the gap for me
So how do I thank you enough
For all the things You've done

Chorus

E se o, E se, Baba E se o (Thank you, Thank you, Thank you Father)
For all you've done for me
E se o, E se, Baba E se o (Thank you, Thank you, Thank you Father)
For standing in the gap for me /2x
Thank you thank you Jesus
Oh what a marvellous wonder you are

Verse 2

I believe all grace has bought
I believe Christ's finished work
Because you stood in the gap for me
I'm breaking forth on every side
Because you stood in the gap for me
Greater is He that lives in me than he that lives in the world
Because you stood in the gap for me
So how do I thank you enough
For all the things You've done

Repeat Chorus /2x

Thank you, thank you, Jesus for your love and mercy

Bridge

Call: Your mercy stepped in the day
Response: You stood in the gap for me
Call: My story you have changed since the day
I could have been dead sleeping in my grave but then
Freedom is mine, salvation is mine, because
At the cross of Calvary where you paid the price for me
What used to be a locked door now I'm walking through

Repeat Chorus
