

Obi Muo

Delight Munachy

Verse 1

For a while,Ive been nursing a vision.
To write my name upon your heart.
Yes I want to worship.Lift my voice and sing before you
And to be the custodian of your heart
And now. I have a new Confession.
Jehovah lives inside of me.
If I lift my voice and if I sing and shout your praise.
My words can never be enough.

Chorus

Oh.Chineke nna m oh
Oh.Chi mara obim oh
If I sing and shout
My words can never tell it all.
Oh Precious God. Obi Muo

Verse 2

Everyday and Everynight I feel your love. I cant deny.
Supernatural feeling.
Thank you God for changing me.
Thank you God for loving me.
Ohhhhhhhh..

Chorus

Oh.Chineke nna m oh
Oh.Chi mara obim oh
If I sing and shout
My words can never tell it all.
Oh Precious God. Obi Muo
