**Chika Chidiebere**

Holy Spirit you are welcome in this place  
Spirit Divine come and take Your place  
Do great wonders in our midst today  
That Jesus Christ might be lifted high

Chorus

We wait on Lord  
In our gathering today  
Do great wonders for us  
You are God

Let your name O Lord God be praised  
Fill me up with your Spirit Lord  
Fill me up with your Power Lord  
Fill me up with your Wisdom Lord  
Fill me up till I don't want no more.

Chorus

You are my guide and my Counselor  
My Comforter and true best friend  
Help me Lord to fulfill destiny  
To the Glory of your Holy name (2x)
