

# Forever You are God

## Onos Ariyo

I bless you Lord, You are holy and forever you are God  
I bless you Lord, You are holy and forever you are God  
All  
I bless you Lord, You are holy and forever you are God  
(In the morning, in the noon time)  
I bless you Lord, You are holy and forever you are God  
(Even when everything seems not to be going well)  
I bless you Lord, You are holy and forever you are God  
(I bless you Lord, I bless you Lord)  
I bless you Lord, You are holy and forever you are God  
(Oh, lift your voice and bless His name)  
I bless you Lord, You are holy and forever you are God  
(I bless His name, I bless His name)  
I bless you Lord, You are holy and forever you are God  
(You have never once changed, You have never once failed)  
I bless you Lord, You are holy and forever you are God  
(Help me sing Halle)  
Ha Hallelujah, Hallelujah you are God (My soul sings Hallelujah)  
Ha Hallelujah, Hallelujah you are God (Sing Halleluyah....Halleluyah)
