

Run to the Father

Nsikak Ekwere

Verse 1:

Eternity waits for no one* x2
Jesus, his arms are open wide,
Calling you

Why dont you run to him x2
His arms are open wide, Run to him

Chorus:

Run Run Run To the Father
Jesus is calling you
Run to Him

Verse 2:

The mountains cant hide you
Nor the hills it All cant save
From the wrath of God at rapture, Not a pleasant sight you want to see
I Can hear the Master calling and his ever faithful mercies abound
No need for procrastination Just surrender it all to him
Surrender it all, surrender it all, surrender it all to him
