

# Jesus is calling

## Alifted

### Verse 1

Jesus is calling us to his table  
To come and eat all we are able  
He has prepared the food of salvation, food of redemption,  
Food of Joy,  
Jesus is calling you to his table  
To come and eat all you are able  
He is calling (2ce)  
You and me to come and eat and be filled

### Chorus

This Joy that I have  
This world did not give it to me  
It's Jesus that gave it for free  
Now Im a living light in his dwelling place  
Filled with Joy and free from all bondage

### Bridge

In weakness Jesus gave me strength  
In fondness he gave me a smile  
In communion he made me a vessel  
So, I can water rather than be watered  
Now I am a strong branch in his planted vineyard  
Thank You Jesus
