

# Beautiful

Tosin Oyelakin

Beautiful

That is what you are So beautiful  
God has made you so Youre beautiful  
Never let it change youre beautiful  
Everyday you wake up  
And you look into the mirror  
And you think youre not worth a thing  
Words that they have spoken  
And your spirit they have broken  
And you feel you would never mend  
But youre Beautiful

That is what you are so beautiful  
God has made you so Youre beautiful  
Never let it change youre beautiful  
So everyday you wake up  
And you look into the mirror  
And you see you were made like Him  
The words that He has spoken  
That your spirit should be soaking  
And youll see you start to mend  
And youre Beautiful

That is what you are So beautiful  
God has made you so Youre beautiful  
Never let it change youre beautiful  
His life is in you  
His word will never change  
So let His Spirit do the work in you  
You are beautiful, beautiful  
Oh oh oh beautiful  
Youre beautiful  
Beautiful

That is what you are So beautiful  
God has made you so Youre beautiful  
Never let it change youre beautiful  
Never let it youre  
Never let it change youre beautiful  
Youre beautiful  
So beautiful  
So beautiful
