## Kelvocal

Halleluyah, we raise our voice to praise you, we raise our voice to worship your holy name

Halleluyah, we raise our voice to praise you, we raise our voice to worship your name.

What a mighty God we serve

Heaven and earth adore you

Angels bow before your holy name.

What a mighty God we serve

Heaven and earth adore you

Angels bow before your name

Vamp

Oh Jesus, you're the reason for my living

Nobody nobody no Ooo

Lord we lift your name on high

Jesus we lift your name on high ( 2x )

Lord we lift your name on high

Jesus we lift your name on high ( 2x )

Lord we lift your name on high

Jesus we lift your name on high ( 2x )

Lord we lift your name on high

Jesus we lift your name on high ( 2x )
