

# Amazing grace

## Wisdom K

Amazing grace  
How sweet the sound  
That saved someone  
Someone like me  
I once was lost  
But now I'm found  
I was blind....yeah  
But now I see  
Amazing grace.... How sweet the sound  
Saved someone like me (x2) Repeat  
(Thank you for saving me oh lord  
Thank you for blessing me  
You left your throne, just for me)  
Amazing Grace  
How sweet the sound  
That saved someone  
Someone like me  
I once was lost  
But now I'm found  
I was blind  
But now I see  
Amazing Grace, Amazing (x2)  
Uh.....uh uh uh uh  
Saved someone like me  
Oh my oh my oh my oh my (x8)
