

Immortal God

Emmanuel Uk

Verse 1

Jesus Jesus

I have come to testify
Of your goodness and your grace
And the love that you've shown to me

Immortal God

I have come to give you praise
And to honour you alone
For your faithfulness each day

Chorus

Agama turu Chineke mma mma

Agam ekele gi oh (4x)

You've got the name that set me free
Heals the sick and raise the dead
Mountains bow before that name

The name of Jesus christ

When I call upon that name

Demons flee and captives freed

Your name is adored in heaven

Feared by demons

And given for the salvation of men
